BUILDING CONNECTIONS

Exhibiting at the Business Showcase provides your company a return on investment that is difficult to achieve by simply attending the event. As an exhibitor you have the opportunity to:

- o Achieve a level of visibility and exposure that drives quality business connections.
- o Showcase your products and services in a relaxed, fun environment.
- o Develop a personal connection with potential customers.

Get the most visibility and traffic - reserve your booth space now! Booths are expected to sell out quickly. Space is reserved on a first-come basis and payment must be received to complete reservations.

See form on reverse side to register.
