Davie County Chamber of Commerce Held Business After Hours at Dunlop Aircraft Tyres

MOCKSVILLE, NORTH CAROLINA: The **Davie County Chamber of Commerce** held a **Business After Hours at Dunlop Aircraft Tyres located in Mocksville** on **Thursday, July 27th**. Dunlop Aircraft Tyres is a British manufacturer and selected Mocksville, North Carolina as the site for its first retreading facility in the United States. Chamber members and prospect members were invited to attend a special networking event to tour one of its local industries. Throughout the evening business men and women were able to meet and develop business relationships in a relaxed yet educating atmosphere.

Business After Hours are a few of the several networking opportunities organized by the **Davie County Chamber of Commerce** throughout the year. To register for these events or for more information on joining the Davie County Chamber please email chamber@daviecounty.com or call 336.751.3304.
