### **Davie County Chamber of Commerce Hosting *Let's Do Lunch* at Davie Tavern**

**MOCKSVILLE, NORTH CAROLINA:** The **Davie County Chamber of Commerce** announces their next **"Let's Do Lunch"** event for **Thursday, June 29<sup>th</sup>** beginning at 11:30 am at **Davie Tavern** – located at 5279 US Hwy 158 in Bermuda Run. This is a special **"Let's Do Lunch"** because it marks the One Year Anniversary for Davie Tavern. **"Let's Do Lunch"** is an informal lunch event with a "Cash Mob" twist. The Davie Chamber coordinates with local restaurants to host the event and invites the community to come out for lunch and make a difference at a local business.

**Let's Do Lunch** is open to everyone in the community – chamber members, prospects or anyone who wants to support our local restaurants. Participating in **Let's Do Lunch** is very easy – simply decide to have lunch at the designated restaurant – no reservations required! **Makes plans** with friends, co-workers or family members and join us on **Thursday, June 29<sup>th</sup> at Davie Tavern in Bermuda Run**. You'll enjoy a great meal while showing your support for one of our many great restaurants in Davie County. If you cannot make it for lunch, please make plans and join them for a wonderful dinner.

**"Let's Do Lunch"** is a part of the Davie Chamber's **iSHOPDavie** program which was designed to support the local business community and raise awareness of the importance of doing business where we live, send our kids to school and pay taxes. **"Let's Do Lunch"** was created with two goals in mind: first, to make a financial impact on one of our businesses and second, keep the focus on doing business in Davie County. " said Carolyn McManamy, President of the Davie County Chamber of Commerce. We have received very positive feedback from our restaurant owners and lunch attendees. The atmosphere is always very relaxed and welcoming. We see large groups from nearby offices and singles who come in and join an established table – we're all among friends and it just works!" said McManamy.
