### **Davie County Chamber Held 2017 Signature Womens' Luncheon**

The Davie County Chamber of Commerce held its annual *2017 Signature Women's Luncheon* at WinMock at Kinderton in Bermuda Run on April 12th. With nearly two hundred in attendance, the women of Davie County and surrounding areas were treated to an inspiring event designed just for them. As always, WinMock at Kinderton provided a beautiful, warm and welcoming setting for this year's luncheon. Guests enjoyed a delicious meal by J. Randal's Catering & More and coffee service was graciously donated by David Smith of Corners Coffee + Art + Framing + Wine in Bermuda Run.

"The annual luncheon is a chamber favorite and we always look forward to creating an event for all women to enjoy, whether they own a company or are a stay at home mom. Our speakers are selected to educate, inspire and motivate us – personally and professionally." Said Carolyn McManamy, chamber President.

This year's featured guest speaker was Timogi Jackson, an empowerment specialist. She uses her voice as a Speaker, Educator, and Life Coach to enable people to harness and focus their energy and gifts to be truly successful in every area of life. She conducts enlightening and engaging dynamic motivational keynotes, presentations and panel discussions at colleges, businesses and other organizations. She is the author of several books the latest which is her fourth book, entitled "Your Dream Needs A Team", which will be available soon.

"Timogi is a fantastic speaker. She delivers a very thought provoking message in a fun, lighthearted way. Everyone saw a little bit of themselves in her stories and thoroughly enjoyed learning what it means to be "a lady and a woman." said McManamy. As a special gift, each guest was given a personal copy of Timogi's book, *I'm A Lady And A Woman* – compliments of the Davie County Chamber of Commerce and Timogi Jackson.

A special thank you to the women who were also part of our program this year: Gladys Scott, President of the Davie Business Women's Association who briefly spoke about the organization, Tara Olson, with Mary Kay, who delivered a moving invocation and Erin Doby of RayLen Vineyard who gave a lively toast with refreshing mimosas made with RayLen's newly released Sparkling

Brut. Our sincere thanks also go out to Kathy Miller of OneShot Photography for beautifully capturing the moments of this year's event.

The support of our Event Sponsors, Chamber Champions and Volunteers is always greatly appreciated. We simply could not host an event like this without their help and commitment to the chamber: Elizabeth Barnard of DCCC, Cathy Boles of DBWA & Star H Equine Insurance, Carolyn Davis and Janet Shepard of DCCC - Small Business Center, Erin Doby, Carmen Price and Katie Rodgers of RayLen Vineyards & Winery, Katie Gough of Edward Jones - Eric Haughwout, Bette Hauser of DBWA, Farah Hubbard of Bates Income Tax, Kimberly Myers of The LINC Agency, Tara Olson of Mary Kay, Cissy Reynolds of DBWA & 158 Auto Sales, LLC, Gladys Scott of DBWA and Michelle Younts of BB&T. Many thanks to Davie Business Women's Association, RayLen Vineyard and Corners Coffee + Art + Framing + Wine for the wonderful door prizes we gave out on your behalf.

Lastly, thank you to all our guests who join us each year for this special event. We are truly blessed to know you and hope you enjoy yourselves as much as we do planning a special day for you! We look forward to seeing everyone next April at the *2018 Signature Women's Luncheon!* Thank you for your support.
