

WHO'S A CHAMPION:

Every member is invited to become a Chamber Champion, however, participation in this program is completely optional. If Chamber Champions isn't for you at this time, there may be a time in the future that it makes sense.

CHAMPION BENEFITS:

The benefits and value of participating in Chamber Champions exceed the actual cost. It is designed to provide a higher return on your investment and significantly increase the exposure of our Champions.

We want our sponsors to receive maximum community exposure, event benefits and cost-effective advertising. It also eliminates the ongoing solicitation for sponsorships for each event or program.

As a Chamber Champion, your commitment helps us accomplish the Chamber's mission by providing the necessary funding to support the numerous programs and events we host throughout the year.

The Champion Program begins each January so we encourage you to make your commitment early to ensure your business receives the maximum exposure and benefits of the program. Call us at 336.751.3304 with any questions.
