Davie County Chamber of Commerce President Caroline Moser sees the awards as a means for residents to let folks know why they've chosen Davie County as their favorite place to live, work, shop, dine, and conduct business. "I love how the community has embraced these awards and I cannot believe this is our 6th year of presenting the Best of Davie," says Moser. "We love being able to bring more awareness to iSHOPDavie and show how important is to support the businesses who are in the community."

Do it Now – Voting Ends November 30th!

Besides showcasing everything from voters' favorite restaurants to "Best Customer Service Award," Moser hopes the competition will be a fun way for residents and businesses to connect in a special way. "Businesses can ask for posters and download promotional materials that we have designed to place on their social media and at their businesses to invite their customers to nominate them," says Moser. "We encourage everyone to vote and show support for others in the community

who are deserving of a Best of Davie title. What better way to show appreciation for a business, organization or person in the community than to nominate them for a Best of Davie award?"
