“The goal of the Educator Expo is to thank our educators for their dedication and hard work while providing an avenue for chamber members and local businesses to market themselves,” said Chamber President Caroline Moser. “Everyone is invited to come share/sell products and resources that can be of value to our educators personally and professionally.”

The expo will be open to the public from 4 – 6 p.m. and will be a great opportunity for the community to do some early holiday shopping and learn more about the products and services available locally. Davie County High School is located at 180 War Eagle Drive, Mocksville.
