

Manufacturing Job Fair ~ Tuesday, July 30th

Jobs, Jobs, Jobs

The Davie Campus of Davidson County Community College has partnered with Northwest Piedmont Workforce Board to host a manufacturing job fair from 9 a.m. to noon on July 30 in the Administration Building, located at 1205 Salisbury Road in Mocksville. The event is open to the public.

The job fair will feature manufacturing jobs available from a variety of Davie County employers, including the manufacturing companies Ashley Furniture, Pro Refrigeration, Amarr Garage Doors, Ingersoll Rand, as well as the staffing agencies Debbie's Staffing and First Choice Personnel.

The event will also include a tour of DCCC's new state-of-the-art advanced manufacturing mobile lab, and participants interested in a certificate or degree in advanced manufacturing will have an opportunity to speak with a faculty member or academic adviser.

"This fair is a perfect opportunity for community members who are looking for a job and also serves as a great chance to network with our local industries," says Teresa Kines, dean of the Davie Campus. "It also provides an opportunity to learn about the many programs available at DCCC."

Job seekers are required to bring resumes to the event; business casual attire is preferred. For more information, call 336-998-3220 or visit the Davie Campus at 1205 Salisbury Road in Mocksville.

Mobile Manufacturing Training Lab to be Unveiled

Job fair participants will get a chance to tour the new DCCC Mobile Manufacturing Training Lab. Customized by Trailers of the East Coast in Mocksville, this state of the art precision machining mobile classroom has been outfitted with multiple axis CNC machines, workstations and classroom space in a fully air conditioned mobile classroom.

For more information, call 336-998-3220 or visit the Davie Campus at 1205 Salisbury Road in Mocksville. For more information on job openings in and around Davie County, please visit the [Davie County Job Listings](#).
