

iSHOPDavie Gift Shopping Expo This Thursday at WinMock at Kinderton

Don't miss the 2nd annual iSHOPDavie Gift Shopping Expo this Thursday, November 5th from 3:30pm to 7:30pm at WinMock at Kinderton, 168 E. Kinderton Way in Bermuda Run.

Last year's event was a huge success with over 300 shoppers packing the majestic WinMock barn, and stocking up on holiday gifts and items purchased from local vendors. This year's event is 100% focused on gift shopping and considered the official Kick Off to Christmas Shopping with a local flair!

Several local restaurants and caterers will be onsite offering a wide variety of food samplings and items to purchase. Davie County vineyards will offer wine tastings and bottles of wine for sale as well as several gift items. More than fifty vendors will be showcasing and selling their products and services to the public.

As a special treat to the kids and young at heart, Santa Claus is taking time out of his busy schedule to visit with shoppers.

Once again the Davie County Chamber is getting into the spirit of the season and raising money for Toys for Tots and Shop with a Cop. Adult shoppers may purchase a glass of wine for \$3.00 and the proceeds will be donated to these two local charities.

With an early sell out of vendor space, the Davie Chamber has expanded into the down stairs allowing even more shopping opportunities. Many vendors are back again this year including Birdhouses by Jerry File, Mimi's Boutique, A Full Measure Catering, Advance Florist & Gift Boutique, California Fresh Caterers and Pearl Girls jewelry.

There are several new vendors who will be participating as well: The Daisy Depot, Scarlett's Unique Boutique, Gemini Skincare and Flying Fish Pottery – just to name a few.

The first 300 shoppers through the door will receive a special iSHOPDAVIE reusable shopping bag and find the best selections of gifts.

The Davie County Chamber wishes to extend a Huge Thank you to Habitat Restore and Lowes Home Improvement for Decking the Halls again this year! Many of the Christmas Trees and decorations will be for sale by the Restore and will be happy to go home with you that night.

Whether you are working on your gift list or looking for a little something just for you, the Davie Chamber invites you to the iSHOPDAVIE Gift Shopping Expo this Thursday!
