

BUSINESS ACCELERATOR

Local Entrepreneurs & Investors Spurring Growth Together

This 3-month accelerated program will give selected participants tools from local professionals to create a solid foundation for a successful business. Venture Davie is a collaboration between the Davie County Chamber of Commerce, Davie Community Foundation, and Davidson-Davie Community College Small Business Center.

Why Join Venture Davie?

Venture Davie guides you through the development process from business plan to ribbon cutting. After completion of the class, participants will pitch their business to a panel of local Angel Investors who decide whether to invest in the company. Venture Davie's goal is to spur economic development within Davie County, NC.
