VENTURE DAVIE

Spurring Growth through Entrepreneurship

Venture Davie is a partnership between the Davie County Chamber of Commerce, Davie Community Foundation, and Davidson-Davie Community College Small Business Center. This 3-month program provides participants with essential resources and guidance from local professionals to build a strong foundation for a successful business.

Why Join Venture Davie

Venture Davie offers comprehensive guidance throughout the entire development process, from crafting your business plan to celebrating your grand opening. Upon completing the program, you'll have access to dedicated mentors, robust support, and a valuable network, all designed to ensure your business's success. Venture Davie is committed to fostering economic growth within Davie County and the Region.
